

SCENARIO 3

STEP 1

- Show students 3 news (2 true and 1 fake). You can create the fake one using special sites in the Internet.
- Ask them to vote which of this is the fake one and why?

STEP 2

Show students sites, on which they can see if an article is true or not. Let them try with their propositions of articles they know.

STEP 3

Now let them be create and use the knowledge they already got on this workshops.

Divide them into groups.

Task for students: Create 1 fake news and find 2 news, which are true.

Then they need to guess which one is fake.
