

SCENARIO 4

PART I

1. Divide into groups (max.5 people).
2. Give student a list with 50 words and one picture.
3. Ask them to create a headline from the words connected with this picture.

PART II

1. Collect the headline from all groups, together with the original headline of this picture.
2. Ask them to point with one, in their opinion is the true one?
3. After the voting, tell them which one was the true one.

PART III

1. Ask them:
 - What was different in all of those headlines?
 - Did they observe anything similar?
 - What do they think they've learnt doing this task?

PART IV

Give them the presentation about things we should put attention on, searching through the Internet and seeing many articles and information.
